King of the Blue Labyrinth

Nice
reunite

My
name
is

So
you're
the

Who
...?

Somewhere
it feels
really

...at home...

You're
awake!

...
Huh?
?

Ib...?

Please
promise
me...

...I'm
sorry.

And his
body
is so
cold.

I said,

that's
not the
point.

Fine.

Since
we've just
met each
other...

I guess it's
impossible
for you to
rely and talk
to a stranger
so easily.

But..

I want
you to
promise
me this:

..Don't keep
everything
to yourself
and cry
alone.

Whenever
that happens,
call me, okay?

Okay?

If she...
If it's her...

it would be
nice if she
didn't let go
of my hand.

That's
right.

but at
the very least,
I can stay
by your side.

I
probably
won't have
much to
offer.

Okay.

...Okay.

Please?

So be
know,
that I
stood in
the red
room...

By the
way,

Ah, no,
that's
not what
I meant!

Oh, sorry!
Was it
suffocating
you?

This girl
has pretty
big breasts...

Now that we've
settled down...
I don't think it
will be good for
our bodies if
we maintained
this posture for
much longer.

Well, I can't really compare you to a nine-year-old, now that you're thirteen...

— Ah

If you've forgotten everything about yourself, does that include your gender?

You're being quite rude now, aren't you?

Oh right... I didn't think about my new gender...

A nine-year-old...

—

A nine-year-old?

I wonder where that came from...

—
Through...

The paintings of me in that room were drawn when I was nine...

I guess it doesn't really matter...

I wonder
where we
are...
